SUPER BOWL CHAMPIONS

The Panthers pulled out their second Division 2A Super Bowl victory in three years with a 28 - 21 victory over Natick High School. The entire team stepped up to get the win. Kenny Pierce and Brendan Flaherty each scored two rushing touchdowns. Linemen Mike Dooling, Brian Perry, Marc Babcock, and Kevin Kennedy had outstanding games.

Ryan Shipp and Isiah White also played great; Shipp forced a fumble and then recovered, and White had a lot of good rushes and was a great 3rd option for the running game. Both Flaherty and Pierce also played great defensively, making large plays by deflecting long passes and making big tackles.

The Beverly High School Varsity Football Cheering Team was on the sidelines at Gillette Stadium for the Super Bowl game.

Boston Herald *All-Scholastic*

Brendan Flaherty

Mike Dooling

Beverly had 4 fan buses bring fans to Gillette Stadium, the largest group of fans of any other town at the Super Bowl. It was great for the team to see a lot of Beverly fans supporting the Panthers, which helped them pull away with a victory. The more people watching, the more adrenaline the players get and the harder they try.

Foreign Exchange

Armand Martinez, Spain. "I think the USA is a lovely country, even [though] I'm not agree with the amount of money that is being designated to the war; overall I love this country, and I hope I'll come back, not just for a year. There have been a lot of interesting experiences that I could be writing for the whole day about it. Two of the most interesting ones were "West Side Story" and the cast party.

There are a bunch of things that I cannot get here in America, food overall. Also, family and friends are always missed when you go away for a long time.

I'm playing tennis as part of Beverly High School and I'm really happy with the season so far. I joined the Swimming Team in winter, which was an amazing experience; the people and coaches were awesome. I also did cross country in the fall.

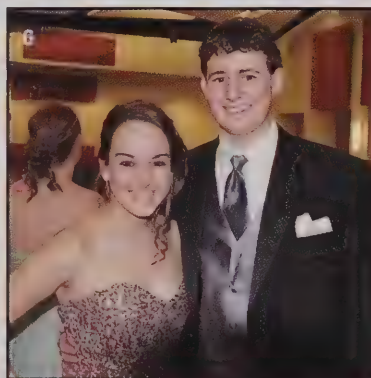

I arrived here on the 24th of August, and I'll leave this amazing country/experience at the end of June, such a sad day. I'll be back!!"

Molly Feiring, Finland. "I love this country. People are so nice here, and I like high school here a lot because of all the after school things and more interesting subjects. Here people are more talkative, and I feel like you could just talk to almost any one here, and it wouldn't be weird, at least not as weird as it would be in Finland. Also, there are so many more different people here, and so MANY people.

I played Field Hockey in the fall, swam in the winter, and I'm doing tennis now. I also played flag football in the Powderpuff game; that was one of the most fun experiences I had here. I was in crew for fall play and in the cast for musical. The musical was also really fun, and it was something I will always remember. I'm also in the International Friendship Club.

My time here has definitely made me more independent, and I have grown a lot as a person. I'm leaving at the end of June."

2. Kenny Pierce and Brendan Flaherty pose
3. Corey Malone and Carly Moffie
4. Dave Rollins and Ryan Shipp's puppy
5. Jill Stirrat and Don Abate

Jose David Cermeno, Venezuela. "I love the USA! I've had the best time of my life in its lands. The USA is an incredible country I'll love forever. I think there are so many different things I can't explain it, but I could say the government and all the public services work [are] very different here from Venezuela.

The best thing I've ever done has been the spring musical, "West Side Story." I'm in the marching and concert band, chorus, Model UN, International Friendship Club, the Swimming Team, the Boys Tennis Team, and the recently opened Boys Choir. I am also an exchange student through the Rotary Youth Exchange, which keeps me busy as a Youth Cultural Ambassador from my country in all their activities.

My exchange year has changed my life, especially my perspective about the people and world understanding. I have to leave on July 15th as part of my exchange program, but I'll definitely come back, and who knows...Maybe I'll live here someday!"

Cecilia Buffenoir, France. "I love the USA; that's why I'm here. People are open, positive, and way more welcoming here. Big everything: plates, cars, fridge. [It is the] country of opportunities: the American Dream. France is very compacted, so we walk everywhere. Driving and drinking are allowed at 18. There's so much food here!

I did the Polar Plunge, Powderpuff, and "West Side Story" are some of the experiences I've had in the USA. I also was part of the International Friendship Club and the Tennis Team. I live with my host family that I consider like my parents. I've met people from around the world that are like my siblings.

I'm a youth exchange student from Rotary, so we have travelled around with others. I am fluent in English and French, and I have friends from all around the world. I've met great friends and host families that have become my best friends.

I plan on staying in the US for 11 months, but it is not long enough!

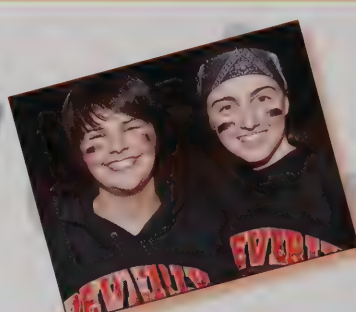

POWDERPUFF

"Kill or be Killed."

On November 16, 2012, the Beverly Panthers Powderpuff Team **defeated** the Salem Witches at Bertram Field. This was the first **victory** for the Panthers in three years. The strong offense line scored touch down after touchdown. The tough defensive line did not let many touchdowns through, securing a win for the Panthers. All of the hours of practice the girls put in was worth it when it came to the final **intense** seconds. Without the help from the whole team and coaches, the final outcome would not have been a 38-22 victory.

FINAL SCORE: 38-22

Super Bowl Champs!

This year's Beverly Football Team had an anything but ordinary season. It was only the second **10-0** season in the history of the school. They are the first **11-0** team. They accomplished this by winning the 114th Annual Thanksgiving showdown with the Salem Witches.

The Panthers started their year off **on fire**, winning their first six games before conference play. While in conference play, the Panthers continued their **dominance** behind Brendan Flaherty, Kenny Pierce, and Isaiah White, winning the next four games in conference play to clinch the NEC title for the first time since 2010 (which is when they won the Super Bowl).

This year's Panthers did not just **beat** opponents, but handled them with ease, **outscore**ing them by 300 points. The Panthers earned themselves a berth into the Division 2A playoffs where they defeated Burlington and then Natick at Gillette Stadium for the state title.

Golf

The Panthers Golf Team had a terrific season going **undefeated** in the NEC and only losing two matches out of league.

Captains Kevin Dyer and Sam Shorr made it to sectionals, but did not advance. Returning player Ted Leathersich proved himself a valuable player for the future when he stepped up and ended the season with a record of 10-1.

Also, Junior Shamus Desmond was a key player to team and brought in the most wins with the record 11-2.

Captains, Kevin Dyer, Sam Shorr, Dustin Dube, and Jay Richerson were all returning seniors, and had a amazing season. They were great team leaders, and set a great example for the younger players. They contributed greatly to the teams undefeated season and NEC Championship.

New Coach Kevin Keilty helped the players advance their game, and give the program high hopes for the future.

Division 1 North Champs

Hard work paid off this year for the Girls Varsity Soccer Team. With a very close team consisting of some of last year's players, they were able to have a very successful season. The team persevered through each obstacle they faced to capture the **Division 1 North Championship** title for the **first time in the program's history**. The Panthers ended the season with a record of 18-4-0, finishing their run at the State Championship with a loss to Franklin in the Division 1 State Semi-Finals.

Starting the season with a goal of winning a few tournament games, the team amazed their fans, coaches, and themselves by capturing the coveted title. The success could not have been achieved without the hard work and determination from every player.

Captains senior Becca Kemmer and junior Diandra Crowley were strong leaders both playing defense and leading the team. These girls weren't only teammates, but they were good friends.

In a pre-game huddle, the Panthers support and assure each other while going over the game plan. The Panthers consistently proved their unity and challenged themselves each game.

Caitlin Harty had a phenomenal season breaking **100 points** and multiple school records, some previously held by Coach Kristin Simpson. Along with Caitlin Harty, Eva Gourdeau, Casey Cook, Kristen O'Connor, and Diandra Crowley were named **N.E.C. All-Stars**. Next year the Panthers hope to capture the NEC title and look forward to making another mark in the program's history.

The Panthers had a very strong season, with a final score 11-3-4. The team had many talented players who dominated the field at all aspects. **N.E.C. All-Stars** Cam Rogers and Conor Leahy were a duo that was almost impossible to stop.

Although the Panthers suffered a loss at the very beginning of the tournament, they ended the season on a high note, excited for next year. Although the team is sad to lose their seniors, there will be plenty of new players to take their place next fall.

Overall it was a season to go down in the record books.

Coaches & Captains

Coach Leahy was voted "Coach of the Year" 2012

Coach Kevin Leahy, with Captains Dylan Perry, Conor Leahy, and Cam Rogers

Captain Cam Rogers ruled the midfield, arguably the best midfielder player in the league. He dominated winning balls in the air and won almost every head ball within his reach. He has good ball control and a strong shot, and will be greatly missed next year.

Captain Conor Leahy has unreal footskills and is outstanding in any position. He is also strong in the air and has scored many header goals and many breakaway finesse shots. This is his second year being voted **MVP of the league**. He will be remembered long into BHS soccer history.

Captain Dylan Perry was a forceful defender, who played sweeper, the last person back besides the goalie. He made many slide tackle saves and won many head balls. He was very good at clearing the ball out of the defensive zone and worked well with his fullbacks to strengthen the team in the back.

NEC All-Star Goalie

Starting goalie **Justin Carnevale '15** had an outstanding season for the Panthers and made many important saves for the team. He kept the defense alive by saving everything he could.

Volleyball

"In our lives we will encounter many challenges, and tomorrow we face one together. How we accept the challenge and attack the challenge head on is only about us- no one can touch that. If we win or lose tomorrow, it will not make a difference in our lives, but why we play and how we play will make all the difference."

The Beverly High School Girls Volleyball Team ended an **amazing** season with the record of **14-2**.

This season was all about hard work and satisfying success. The athletes' dedication to the sport helped the Panthers win big matches against teams like Salem and Revere. Both losses were against Peabody.

The Panthers' continuous effort paid off when they entered post-season play. Returning members Mariah Dodd, Katie Ball, Karlie Marrs, Bridget Keaton, Kristen Abbondanza, and Hayley Finik came back strong and made up the solid starting lineup. The team improved all season, and their wide arrange of skills continued to shine.

Team Captains Karlie Marrs and Christine Green were great contributors to the team, keeping everyone together both physically and mentally. Karlie Marrs and returning senior Katie Ball were named **N.E.C. All-Stars** of the season.

Coach Pam Padavoni and JV Coach Shannon Barror received some extra help this year with assistant Coach Victor Cabral, making one-on-one time easier among the teams.

The success of this year is a great motivation for our Panthers to continue to **dominate** in the future.

Junior Hayley Finik sets the ball up to her teammates. Finik was consistent throughout the season and may be one of the most experienced players on the team.

Field Hockey

Head Coach Trish Murphy and assistant Coach Pam Morose led the Girls Field Hockey Team into another great season, and with an overall record of sixteen games won, one loss, and one tie. Always a strong team, this year marks the end for many **powerful** players, including Captain Natalie Shea, **N.E.C. Offensive Player of the Year Katie Pietrini**, and letter award recipients; Katie Wheatley, Livvy Konaxis, Libby Rosenberry, Andrea Zelano, and Phoebe Blau.

Echoing the attitude of many other senior players, Katie Pietrini said, "It's been a good four years, but I'm positive that even after I'm off at college, the girls will carry us to even greater accomplishments and even stronger seasons."

As the team says goodbye to valuable members, they are happy they have left on such a good note. "It was a great year, I'm happy I'm graduating knowing we did well," said Katie.

Coach Murphy agrees, and looks forward to the new year, hopeful that she will find new players as talented and hardworking as the seniors this year.

The Girls Field Hockey Team has always been known for doing well every season based on how hard they work off season. It is evident the girls put their heart and soul into the sport, dedicating all their time to practicing and fundraising. Many girls won awards for their spirit, dedication to their position, and leadership. They've done well because, **like all Panthers**, they have **heart, drive, and a need to succeed.**

Girls Cross Country

Running further, **faster**

The BHS Girls Cross Country had an outstanding fall season. From their first meet onward it was well known that these girls would make a very **strong** team.

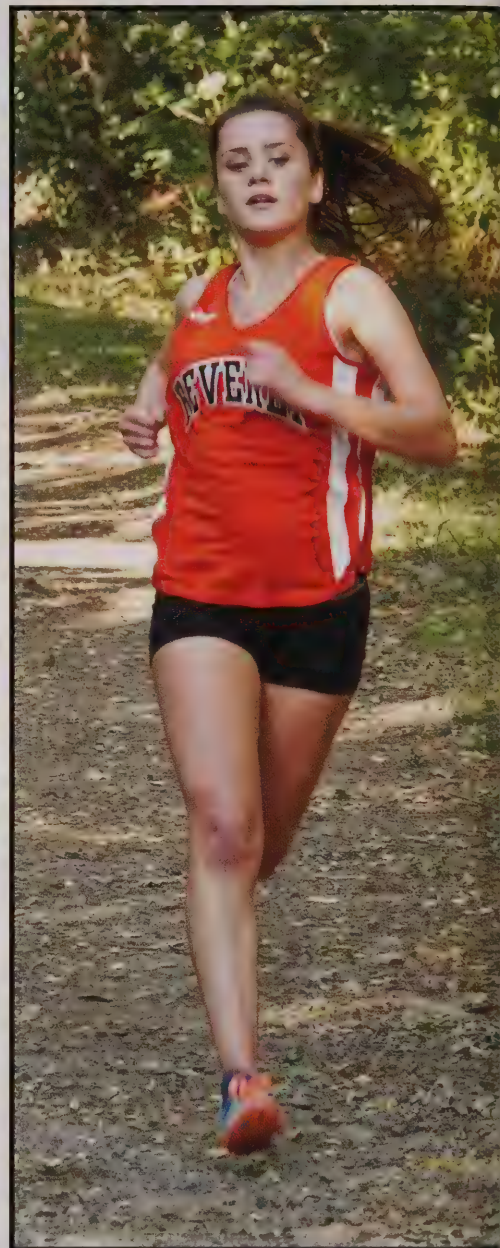

With a winning record of 6-1 and six NEC All Stars, it was a season to remember.

The team placed second out of 15 other teams at the Northeastern Conference. Haley Albert '13, Madison Shropshire '13,

Nicole Demars '14, Keely Higgins '14, Maeve Monahan '15, and Julianna Wesley '15 all received All Star status at that conference meet.

The biggest challenge the girls had to face was against Peabody in the pouring rain. Although they did lose the meet, they still ran strong.

The BHS Girl's Cross Country ended their season with a winning record. They are looking forward to another successful season, next year.

#1 Seed

The Boys Panther Ice Hockey Team got off to a great start going 9-0-1 in their first ten games and finishing the regular season with an impressive record of 18-1-1.

Key returning players made this year a success with senior captain Andrew Irving and junior captain Connor Irving leading the team in points. Sophomore defenseman Nick Albano has emerged to be one of the best in the league, leading the North Shore in defensive scoring points. Second line center Graham Doherty made a huge impact, providing the Panthers with secondary scoring. Another player that made an impact was sophomore goalie Tim Birarelli, who finished the regular season with a .78 goal against average and .954 save percentage.

The Panthers went into the post season as the number one seed, taking on the Danvers Falcons in the quarterfinals; the 4-3 loss was only the second loss of the season for the Panthers.

In addition to the great season, senior captain Andrew Irving was named Boston Herald and Boston Globe All-Scholastic.

NEC / CAL CHAMPIONS

"Work your hardest and be GREAT"

The Beverly High Co-op Girls Hockey Team had a remarkable making history with the best record since the program started, 16-1-2. With a new coaching staff, Coach of the Year; Brian Seabury, Bill Seabury and Gerard Harrington, the Lady Panthers were ready to take on the 2013 season. This year the girls reached a few milestones in their season. Standing as **NEC Champions**, as well as qualifying for the State tournament were certainly great achievements earned by the Lady Panthers. The Panthers were led on and off the ice by their two senior captains Livvy Konaxis and Katie Szela.

Dynamic Duo Junior Nicole Woods and Senior Livvy Konaxis, totaled 83 points this season and were the core of the forward line. Also, freshmen Kristen McCarthy and Anna O'Neil stepped up and contributed to the Panthers tremendous 95 goals.

Sophomore Caitlin McBride and Senior Goalie Ami Thompson held down the defensive end, with only 25 goals against and 4 shutouts.

The Panthers ended their season in the post season quarter-finals during the hard fought game against defending state champions Arlington Catholic.

The Girls Hockey Team will be missing four seniors next year; Livvy Konaxis, who is continuing her career at Holy Cross, Katie Szela, Ami Thompson, and Jess Fanning.

N.E.C. Champs!

The BHS Panthers wrapped up another perfect season with an 8-0 score. This has been a great year for the team, as they yet again made it to the NEC Championship, continuing their winning streak since 2010, and placing eighth at States!

This year's captains, Adrianna Beatrice and Loralee Smith, steered the team to victory. Adrianna took **first place on the beam at the State Championships** at the Worcester DCU Center, with a score of 9.35. Sophomore **Heather Gomes** had the highest all around score of the team, 37.325. At the North Sectionals, at Hudson High School, the team came in second in the North with a score of 143.925.

One of the biggest advantages for the team this year was its size. With so many members on the team, if one of the ladies were sick or injured, it was easier to replace her and keep the Panthers in the game. The close and very determined team will suffer the loss of many seniors this year, but they anticipate gaining many talented freshmen.

7-0 in NEC

The Girls Indoor Track Team rounded out another wonderful season, winning the NEC season title and being the only team in the conference to finish undefeated with a 7-0 record.

The season started off with the two toughest meets on the schedule, but the team was able to come together to pull out wins against two tough opponents, Marblehead and Peabody.

Along with setting many personal records, there were also several broken school records broken. Julianna Devitt broke the freshman hurdle record (7.9); Kristen O'Connor broke the school hurdle record (7.3), and the relay team of Caitlin Harty, Madison Shropshire, Julianna Wesley, and Nicole Demars broke the school record.

The team also had 12 NEC conference all-stars. Looking forward to another great season next year!

Swimming and Diving

The 2012-13 season was quite successful for the Panther's Swimming and Diving Team. Had you been at the Sterling Center pool during one of our home meets, you would have seen 47 individual swimmers come together as one very strong team, led by Captains Karl Brandt, Jackie Cohen, Becca Kemmer, and Emily Walsh.

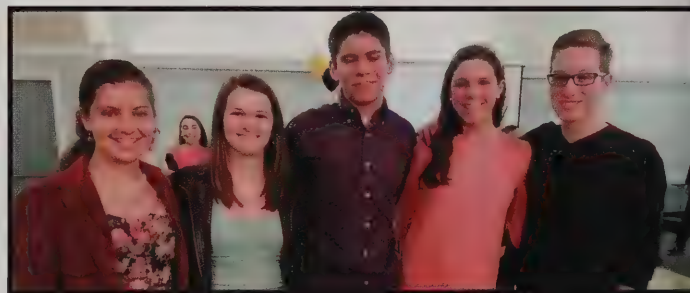

Our record was 6-1-1, and we finished in second place in the North East Conference (NEC). Seven Panther swimmers earned NEC All-Star status, including, Caitlin Donoghue, Rachel Grant, Astrid Swensen, Emily Walsh, Sarah Welch, Samuel Aldrich, and Nick Groblewski. Sophomore Astrid Swensen also won the state championship in the 100FLY.

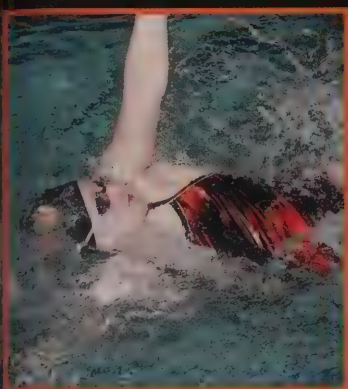

The incredible improvement made by all of our divers throughout the season was incredible to watch, as Carly Blau, Liz Musumeci, Mackenzie Swensen, Sydney Rutledge, and Rose Turner improved by leaps, bounds, and reverse somersaults

West Side Story

A turf war between teenagers, the Puerto Rican Sharks and the New York Jets, leads to full on brawls on the stage complete with fists and knives.

The gangs are just fine being rivals, but when ex-leader of the Jets, Tony, played by Ian Beckman '14, falls for the sister of the leader of the Sharks, Maria, played by Carly Moffie '13, everything changes. In a modern twist of *Romeo and Juliet*, the two try to prove that their doomed love can overcome the rivalry of their families.

The fun and dramatic musical numbers culminate in an ending that promotes mutual acceptance and co-existence.

Student directors were Emily McDermott '13 and Peter Fickenwirth '14, and stage managers were Heather Martenson '13 and Daniella Zessoules '13. For the first time ever, the musical also featured performances from a group of faculty members: Mr. Gallagher, Mr. Bauer, Mr. Riordan, and Ms. Fecteau.

DECA

DECA prepares emerging leaders and entrepreneurs in marketing, finance, hospitality and management in high schools and colleges around the globe.

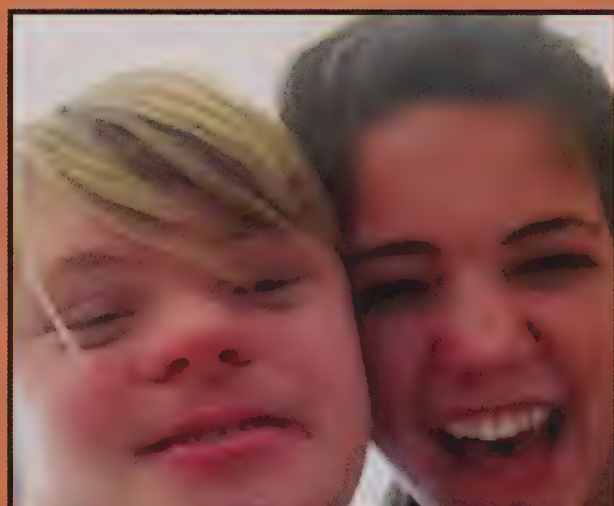

Marketing teacher and DECA advisor Kristen Marescalchi took 140 students to the District Competition. After a long day of test-taking and performing role plays, 59 students qualified for the State Competition.

At States, students competed with eight other districts in multiple categories where they took tests, performed role plays, and presented projects. In addition, DECA students listened to multiple informational speakers and next year's State Officers' campaigns. The DECA participants were fortunate to be able to attend an assembly where Jonathan Kraft, owner of the Boston Patriots, explained how he reached his incredible business achievements.

Eight BHS DECA students - Olivia Konaxis '13, Nina Walsh '13, Cassandra Theriault '14, Rob Cattell '13, Katie Bostridge '14, Julianna Mooney '14, Molly McDonald '14, and Becca Kaplan '14 - qualified to compete in the National Competition in Anaheim, California.

BEST BUDDIES

The Best Buddies program provides opportunities for students to create one-on-one friendships with other students with intellectual and/or developmental disabilities.

Led by Haley Albert (President), Matt Garrity (Vice President), Hunter Zimmerman (Secretary), and Erica Albert (Treasurer), Best Buddies organized many events and fundraisers over the course of the year.

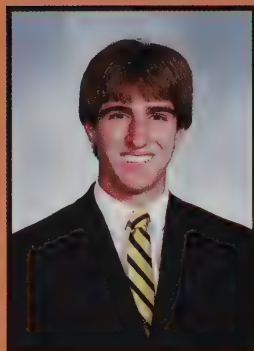

Highlights of their fun events included a trip to the North Shore Music Theater to see *A Christmas Carol*, a Thanksgiving dinner, a game night, and apple picking at Russel Orchard.

In addition to individual Beverly events, our Best Buddies joined other Best Buddies groups from all across Massachusetts for their most anticipated event of the year, Prom.

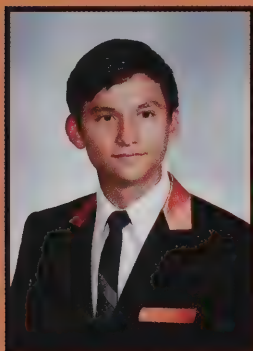

Best Buddies is a great way for BHS students to make new friends and have a fun time doing it.

Other events included assisting with BHS Freshman Orientation, 8th Grade Open House, Career Day, Parents' Afternoon Back, volunteering at Beverly Hospital, and working with Beverly Bootstraps. NHS meets every other Thursday at 7:45, and each member volunteers a minimum of five hours per month.

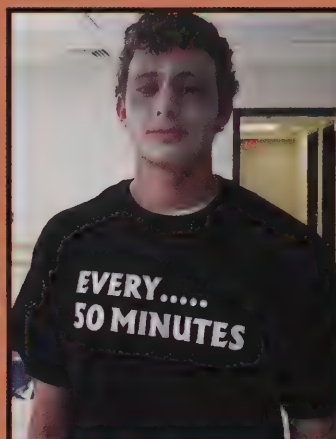

The advisor for National Honor Society is Mrs. Ellen Winokur.

Drunk Driving prevention and Awareness Day at BHS. Students' faces were painted as if they had died to illustrate drunk driving stats.

Advocate Anne Flaherty and three of her children Brian, Mary Kate and Brendan prepared for the Breast Cancer Walk in Boston.

Senior Officers: Brendan Flaherty, Alexa McNamara, Haley Albert and Kenny Pierce run weekly meetings and organize events for the club.

Peer Leaders designed and created Valentine's Day cards for the elderly homes.

PEER LEADERS

The Peer Leaders Club is a student run organization that organizes and and participates in multiple activites throughout the year.

Once a week Peer Leaders meet to organize the next upcoming events and ways to get the school involved. A couple events that Peer Leaders hosted this year were the Drunk Driving Awareness Day, Breast Cancer Walk, Pep Rally, Health Fair, and Bridging the Gap.

Senior Alexa McNamara speaks on the Haverly-Salem Bridge during the annual Bridging the Gap.

ECO CLUB

Eco Club's mission is to increase awareness within Beverly High School to keep our school and community green. The club does this by creating projects in which students can actively participate to keep their environment clean while being resourceful and environmentally aware.

PING PONG

Ping-Pong Club is basically just an informal group of guys who meet up to play ping-pong every week. Very few people actually go every week, and we often have random people show up and play, so it's a very casual club that anyone can join!

Common attendees are Ian Beckman, Antuan Tran, Kevin Dyer, Owen Bolas, and Zak Schlichtmann. The majority of common attendees also play tennis.

KEY CLUB

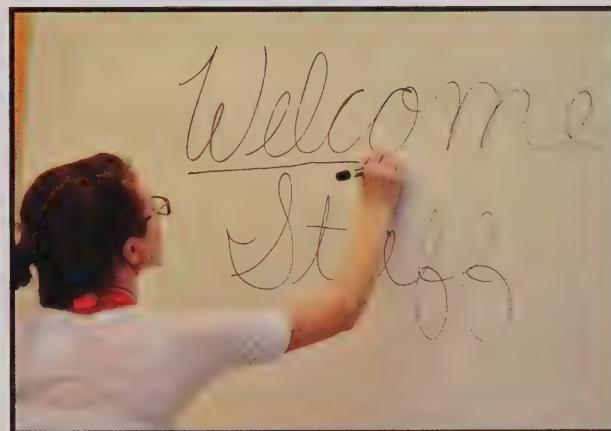

KEY CLUB is a group that focuses on community service.

Meeting regularly, the club plans various events for the public. Most focus on either raising money or helping those in need. Many events also hone in on raising awareness about various causes.

Some of these events this year included Change for Heat, Good Friday Walk, Fort Beverly babysitting, Fall Frolic, sock monkeys, Pin Wheels for Peace, Father Daughter Dance, and the Dr. Seuss Breakfast.

CULINARY CLUB

The Culinary Club at BHS has had many new additions to their family of chefs this year. The fairly new club grew even more in its second year.

The club continued to cook for charities like Journey for Hope in Salem and held their second annual Parents Night Back Pasta Dinner.

"Everything was beautifully presented; the service was impeccable; food was fantastic; and the cause they were supporting was admirable", Mrs. McCafferty wrote to all the teachers, raving about the dinner.

Success for the group continued from there when they sold their homemade, freshly cooked loaves of bread.

Every Tuesday afternoons the club members meet in Mrs. Quinlan's room to talk, cook, and overall just have fun.

DANCE TEAM

The BHS Dance Team is back for their second dance season. The team built off of last year's success.

This year they put on their annual "Dancing with the Teachers" fundraiser. Five of the school's favorite teachers took to the stage for competition: last year's winner Mrs. Fecteau, Mrs. MacDonald, Mrs. Pappas, Mrs. Ferrari, and Mr. Schneck. Popular songs such as "Gangnam Style" were used. This year the winner was **Mrs. Ferrari**, dancing to the song "Thrift Shop." Judging the competition were Ms. Robichaud, Ms. Dalton, Mr. Parsons, Ms. Martin, Mrs. LaRochelle, and Mrs. Taylor.

The team also competed in the 'Step Up to Dance' Competition. The group category was Jazz with the song "Radioactive" by Maiana and the Diamonds. There was also a small group in the Lyrical/Ballet category. The song that will be used is "That's Why They Call It the Blues." The team decided to also enter three solo entries.

STUDENT COUNCIL

The mission of the Student Council is to represent the views of the student body of Beverly High School. The Student Council meets regularly to discuss whatever business is deemed prudent and expedient that concerns the student body. The Council communicates regularly with the Principal, Superintendent of Schools, and the School Committee on matters pertaining to the welfare of the student body. They also sponsor the annual Beverly High School "Open Mic" night, the proceeds of which are donated annually to a worthy cause.

MODEL U.N

MODEL UNITED NATIONS

Beverly High School's Model United Nations Club, advised by Mrs. Ronan and Mrs. Brotherton, had a very successful year. This year members of the club attended conferences at Brown University, St. John's Prep, and Boston College High School. Assigned with countries from all over the world with various pressing topics, students research all the way up to the conference, resulting in a fruitful debate and a resolution for the issue of the topic.

Alexis Colploys won the Honorable Delegate Award, and Brian Longo, Sarina Cerro, and Danielle Bertaux were awarded the John Maher Best Position Paper Award.

With Secretary General Alex Wheeler, Under Secretary General Antuan Tran, Treasurer Thomas Donovan, Secretary Sarina Cerro, and Public Communications Officer Andrea Pullido, the club members have experienced an organized and successful season.

MATH TEAM

Most competitive meets are full of cheering crowds and boisterous fans. The math competitions are silent, yet have as much tension as any tournament play. This is the "Math Meet," the competition of some of our brightest students challenging themselves to solve complex math problems.

The Massachusetts Mathematics League Meets are exciting rounds of intense concentration, teamwork, and the exhilaration of "getting it right." The Beverly High School Math Team had a successful season this year, finishing second in their division. MA Mathematics League high school teams compete once per month throughout the school year in six individual categories, as well as the team round.

Ten students, called "regulars," compete in each meet. Only four seniors are allowed to compete in each meet, and only eight combined juniors and seniors are allowed to compete per meet. Each student may compete in three of the six individual categories, up to a total of five students compete per category.

SCIENCE LEAGUE

Beverly High School's Science League is, just like most of our other teams and groups, on top. Every month 12 students compete against other schools that range from Maine to Boston. Last year Science League placed in the top 3 out of about 30 schools, and this year they are currently in 3rd place.

Students with a real interest in science are encouraged to study to compete in events like Biology, Chemistry, and Engineering.

Returning Seniors Gabe Buchsbaum, Kayley and Kelsey Miskis, and Adi and Idan Davidyan have been in the program for a long time and continue to lead the team. Gabe and Jr. Ben Albert having been strong members of the team winning events.

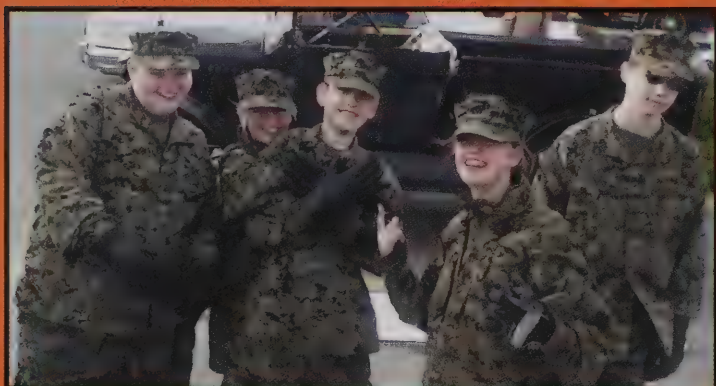

Teachers Mr. Manis and Mr. Novak have been with the league for 2 years, and enjoy competing with the kids.

MJROTC

At Beverly High School, our Marine Corps Junior ROTC program is dedicated to developing informed and responsible citizens.

Cadets enrolled in the program learn about ethics, leadership, followership, fitness, group goal setting, problem solving and self-discipline. Our Commanding Officer is Cadet Lieutenant Colonel Samuel Wheeler and our Executive Officer is Cadet Captain Nicholas Freitas. Throughout the year, our MCJROTC program is dedicated to serving the community and supporting many organizations such as the Veterans of Foreign Wars and The American Legion.

Our Drill team and Rifle teams compete with local schools and we provide Color Guard displays during Beverly High Schools athletic events.

PHILOSOPHY CLUB

Philosophy Club meets on Friday afternoons and discusses various philosophies, whether they be from outside sources or a member's original idea. When discussing a question derived from an outside source, club members take the philosopher's original thesis and decide whether they agree or disagree. From here, a discussion begins in which each side explains their reasoning and then the original thesis is examined in historical context.

ANIMAL WELFARE

This school year, with the help of the art teacher and advisor Ms. Tolan, the president Keegan Whitehair, and vice president MaKayla Townsend, Animal Welfare Club has finally formed. Our goal is to help animals in need by volunteering and donating all of our proceeds from fundraisers to our local animal shelter, Cape Ann.

Although the club has just begun, members of the group have participated in the necessary tour and informational meeting at Cape Ann Animal Shelter in order to be eligible volunteers. They plan to continue to to fundraise for Cape Ann Animal Shelter and in the near future begin to volunteer.

GSA

GAY STRAIGHT ALLIANCE

The Gay Straight Alliance is a support group at BHS that is open to anyone, regardless of sexual orientation. GSA provides a safe environment for everyone and makes students feel equal in their community.

This year, GSA organized the most successful Ally Week at BHS yet; in addition, the members participated in the annual Day of Silence.

The GSA, advised by Michelle Burke, makes BHS a more accepting, welcoming and tolerant community.

REFUGE BIBLE CLUB

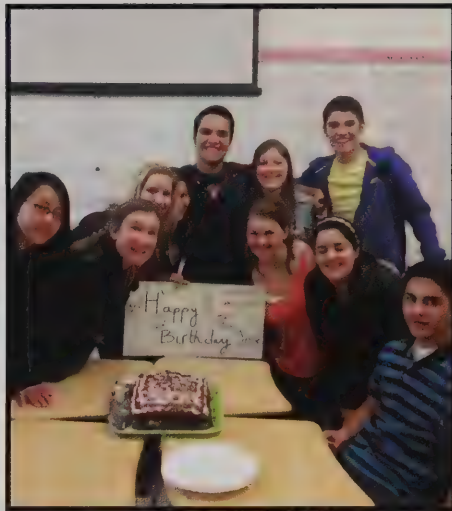

Led by senior Lydia Hester, the Refuge Bible Club is a group of students who meet once a week to read and discuss ideas from Scripture.

This year they met for such events as See You at the Pole, an international day of prayer before school. In October the club sold bags of candy corn.

In February, just for fun, the group held a free viewing of the movie *The Avengers*.

The Refuge serves as a great place to make friends and learn about faith.

INTERNATIONAL FRIENDSHIP

The International Friendship Club is a new club that started last year. Despite the fact that it is new, it includes about 45 members. The club works with exchange and ESL students to try and learn about different cultures as well as helping them learn about the American culture.

International friendship club meets every Thursday and with the help the advisor Ms. Orlando the club plans events and activities.

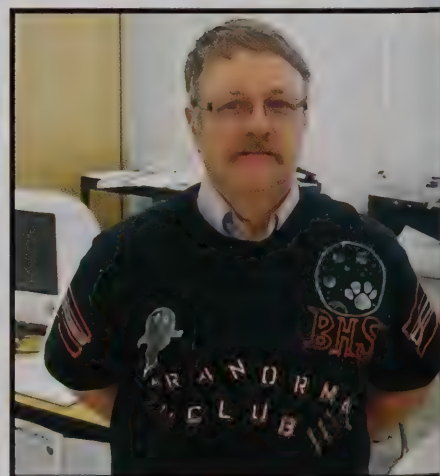

This year the club organized a holiday party and a cooking event. They also hold an end of the year party in which each member brings a dish a different country or their own country. The club has become a place of making new friends and having a good time.

PARANORMAL CLUB

The BHS Paranormal Club was born five years ago (2008) by a group of students interested in paranormal events and in the investigation and study of places with known paranormal activity, as well as sites with interesting history that might suggest the presence of paranormal activity.

We capture whatever we can on digital voice recorders, digital film, and digital video and then spend time reviewing these recordings in search of anomalies.

ART CLUB

Art Club is a great opportunity to meet new people and express yourself. Made up of members of the AP Art Class and other dedicated art students, Art Club is very close knit, becoming much like an extended family.

The students have the freedom to choose the type of art they would like to specialize in, from drawing and painting to photography and sculpture. Many of the members have won awards, been recognized for their outstanding artistic talent.

The club often goes on many trips to local museums and schools.

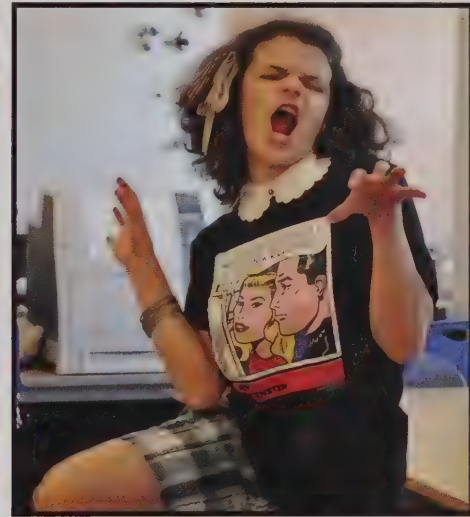

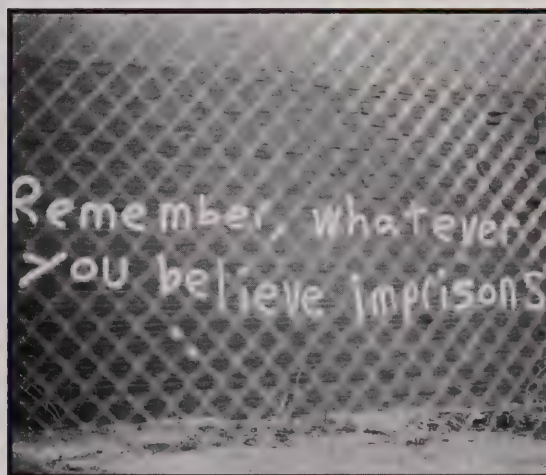

PHOTO CLUB

Photo Club is a great opportunity for kids who enjoy taking photos to get together. This club can help you better your skills and learn new ways to take photos.

They often do project shoots, where they then get together and talk about all their photos. Photo Club meets in Ms. Graczyk's room after school. This year the leaders of the group are Izzy Dow and Tanya Boulanova, two exceptionally talented photographers.

COMPOST CLUB

Beverly High School's Compost team took a step forward in February, by adding compost bins to our lunch rooms, in addition to the recycling bins. Students were encouraged to take the time to separate their trash so that BHS could cut down on how much they throw away. The week of February 11th was an experimenting session to figure out what accommodations we need to make to take care of our waste.

Composting is so important to the environment. It conserves raw materials, it saves energy, it reduces the landfill, and it saves you money! The compost club's new waste management system has been yet another way for our school to better our environment.

GAMING CLUB

The Gaming Club is a great club for kids who meet together on Wednesday afternoons in the library.

The group consists of five to ten guys who enjoy playing video games like Minecraft. They play games on their laptops and other consoles. When asked to describe themselves, they said, "We will soon rule the world."

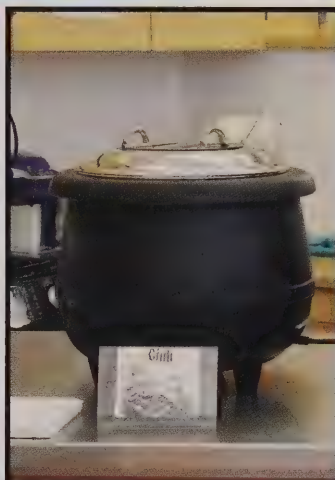

SKI AND SNOWBOARD CLUB

Ski/ Snowboard Club is still a beginning club here at Beverly High School. Student advisors Meggie Manzo and Jillian Morneau plan the trips with teacher advisor Mr. Pynchon.

Students were able to go on only one trip this year, due to weather conditions and availability, but they made it a great one.

The students went to Sunapee Mountain. The weather conditions were perfect, and the skiers and snowboarders were more than excited to start their day of fun.

Everyone boarded the bus at the end of the day tired and sore. Next year there are hopes of more ski/snowboard trips and maybe an overnight trip to Sunday River.

PANTHERS DEN

Panthers Den is a weekly treat for faculty and students and has been a tradition in the school for over 30 years.

Every week groups of students from Mrs. Pitman's Food Service Class learn how to cook big portions of soups, salads, and deserts. Each week the groups put together a salad bar, make chili, tomato soup, clam chowder, and chicken and jumbo.

Food Service provides great experience for anybody who wants to be in the cooking business, and even for those who don't.

It's Mrs. Pitman's last year at BHS, and she is going to miss teaching students skills for the real world about cooking and serving.

AEGIS

Every year several creative students compile pieces of artwork and writing into a small volume, entitled *Aegis*. The club advisor is Mrs. Lara Collins, and the senior co-editors this year were Benjamin Huth and Jacqueline Tetrault.

Aegis was founded in 1901, making it the longest-run student publication in the country. The club depends mostly on the PTSO for funding the publication.

Aegis also organizes some events throughout the year. This year they held a bake sale, a 50/50 raffle, and a *Lord of the Rings* movie night.

ANGIE'S PEP-RALLY

Beverly High School hosted a city-wide viewing party, organized by seniors Carly Moffie and Lydia Hester, to watch our very own Angela Miller rock the American Idol stage.

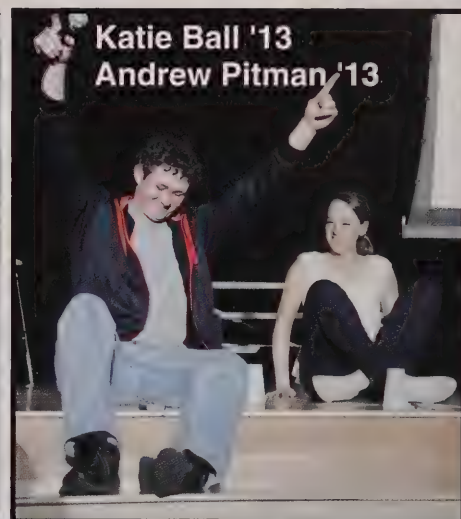

Friends, family, and fans of Angie gathered in the BHS auditorium wearing their "Team Angie" shirts to watch the show, and at commercial breaks, watch performances by some of the students at the high school.

The ultimate goal of Habitat for Humanity is to eliminate poverty housing and homelessness from the world by constructing and building adequate and basic housing. The club participates in builds projects at 5 Park Street in Peabody and 24 Mill Street in Danvers. Habitat for humanity includes about 22 members and the club meets every Wednesday to discuss build matters and fundraising.

ANIME CLUB

We are a group that is held after school every Tuesday until 4:30. In Anime Club, we watch different animes, talk about different types of manga, and come up with new ideas of our own. Our club president is Amber Kennison, with our co-president being Cody Dupuis.

COLOR GUARD

The Colorguard performed this year along with the marching band at every Panthers football home game. Lauren Costa ran and choreographed the routines for this years show to the tunes of Danny Elfman. With over half the team being unexperienced new members, the team did an excellent job learning and memorizing the routines and learned to be in sync with one another.

The members include:

The Ledger is a student run newspaper that has been written and published by BHS in the *Beverly Citizen* since 1979.

The Ledger is put together by a dedicated team of individuals from Ms. McCafferty's Journalism Class and interested student writers who submit articles that range from topics about art, sports, academics, special events, and pop culture, in addition to editorials, reviews, and student surveys.

This year the paper was managed by sophomore Editor-in-Chief, Austin Healey. Austin was responsible for editing articles, as well as planning and formatting the paper for each issue.

Austin often encouraged writers to push the limits and "add a maximum amount of sass" to their articles. Student writers included a team of sophomores - Corrine Ajemian and Jayden Boris, juniors - Ben Ayers, Ryan Noss, Maddy McLaughlin, and Rachel Lurie, and seniors - Leah Horrigan and Jacqueline Tetrault.

Photographs that are used in *The Ledger* are sourced from student photographers, as well as Mike Rollins and Gainsboro Studio.

BEVERLEGA 2013

This year is the second consecutive year that the yearbook is being printed in color and not in black and white.

Beverlega 2013 was designed and created by Ms. McCafferty's Journalism Class and interested students who used photos from Gainsboro Studio, Mike Rollins, and student photographers. The students use the Jostens Publishing Company website yearbookavenue.com to design every page.

The senior members of journalism have taken charge this year and created a yearbook that highlights important events and activities happening at BHS.

...Like a day at the beach

You came into our world making such a "big beautiful splash" in our lives! This is your first time at the beach. You absolutely loved it and embraced it, symbolic of how you take on any challenge. You dive in, find the joy, and then share it with others. It honestly feels like a blink...the years have flown by so quickly, and we've shared so many wonderful experiences! Tides may change, but, one thing that remains constant, is how truly special you are! Having you for a daughter is... like a day at the beach! You're a breath of fresh air! Whether the tide is high or low, our love, trust and faith in you will never waver. It's been our

extreme pleasure to watch you grow into the kind, beautiful, intelligent, funny and wonderfully talented person you are today. It's like basking in the warmth and glow of the strongest sun! Your light shines so brightly and sparkles like diamonds on the water! Like footprints in the sand, you've touched our hearts and filled them with the deepest love, the greatest joy and an enormous amount of pride! You're the treasure we will always cherish. We're so proud of you and all that you've accomplished. This is only the beginning of many more great things to come for you! Congratulations on all you've achieved! We're looking forward to the next "BIG SPLASH" you make in this wonderful journey of yours!
